CLUB OBJECTIVES

To foster and support the ongoing development of the sport of Australian Football within our local community.

To actively participate in the Perth Demons District Junior Football Competition by fielding teams, where possible, in the Auskick, Modifieds and Open Rules competitions.

To abide by the Rules, By-laws, Codes of Conduct and directions as determined by the Perth District and the West Australian Football Commission, ensuring a safe environment for our children to play football and building stronger community relationships.

To encourage our club values of good sportsmanship, teamwork, responsibility, respect, leadership, commitment and community participation amongst all our players and parents.

To ensure the financial viability of the club and maintain a not for profit sports association.

SPJFC is incorporated under the Association Incorporations Act and governed by a voluntary group of committee members that oversees the operation of all football activities within the club.

SPJFC SPONSORS - 2019

SPJFC acknowledge the support of our 2019 season sponsors.

lan Hutchison Preston Street IGA Life Ready Physio Grand Cinemas Community Pharmacy Loanport

Car Giant Winning Edge Academy Mill Point Medical BFI Building Services Multiplant Angelo St Market Oska Wellness Mal Atwell Media Tonic Revo Fitness Without the support of all of our great community businesses, we would not be able to supply the new jumpers, training gear and events throughout the year.

The SPJFC committee and members deeply appreciate this commitment. We ask that you please support all our sponsors as they are great local businesses within our community.

CLUB SONG

We're the mighty team at South Perth
We're the Mighty Fighting Rays (woo! woo!)

We play it hard and we play it tough, but we play it fair and square

1 2 3 4 – all for one and one for all – that's the way at South Perth

We are the Mighty Fighting Rays!

Yeah!

GOLD STAR FOR SPJFC

South Perth Junior Football Club is proud to have been recognised as a Gold accredited club. The quality club program ensures that our Club has sound policies and procedures in place so that our committee is supported in running our Club in a manner which is of benefit to all of its members.

It means the Club is able to ensure we have a quality environment for our young players to develop, and we are able to attract and retain players and their families.

The committee annually reviews policies and procedures to ensure we are up to speed with a view to achieving "rolling accreditation". This process leads to continuous improvement and ensures the ongoing stability and strength of the Club is never compromised.

PRESIDENT'S REPORT

2019 has been another successful season on and off the field for the Stingrays. On the field we have seen an increase in registrations which has resulted in strong numbers across all grades. Off field, starting with the Preseason Family Sundowner, parents and spectators have provided outstanding support to our teams with our usual high level of volunteer effort each week making being around our Club the wonderful experience it is.

Our Club's success is not measured by winning games, but by the level of enjoyment our members attain from their involvement, whether that is as players, coaches, managers, Club officials, parents, spectators or volunteers.

There is no doubt football is facing some challenging times at present given the various reports of poor behaviour, which in my opinion is placing a strain on volunteers and all involved in the community football arena given the many requirements placed on clubs by the WAFC. We should hold our heads high with the game day environment created at our games by coaches, managers and volunteers that ensures everyone attending has a rewarding and enjoyable experience. I congratulate and thank all the coaches, managers and assistant coaches for the outstanding job you have done this year.

As I constantly say when asked, the great strength of our Club is the many people that volunteer their time with a genuine willingness to contribute. We are all aware of the committee, coaches and team managers but many parents assist each week at training and on weekends with the many tasks that need doing. I'm talking about providing fruit, goal umpiring and particularly in the older grades running the boundary; for some of us who may not have the fitness levels we once had you can be left a bit ginger for a few days. However, in every instance there is a parent willing to do all manner of tasks.

Like all clubs it all starts with the committee. The 2019 committee has continued the legacy of previous committees and continued the hard work required to have a strong and successful Club. Our Vice President Mark Longton is a constant support for me as is our Secretary Mark Herbert and his wise counsel. The Club would not run as smoothly as it has this season without the considerable efforts of our Coaching Coordinator Al Gray and particularly Tony Santoro our Team Manager Coordinator. Tony is at EJ every Saturday and Sunday morning to help out and has provided great support to teams each week when setting up and preparing for home games. Please take the time to acknowledge Tony's efforts when you see him.

Our Treasurer Steve Law has again continued his prudent management of club funds, a difficult task every season for any volunteer-based organisation. Another big thank you needs to go to our Merchandise Coordinators Michele Herbert and Isabelle Perger who spend a lot of time at the Club ensuring members can access merchandise. This season Richard Edinger took on the First Aid Coordinators role. Richard has taken to the role and ensured that first aid gets the appropriate attention is requires.

Lisa Carter has been our Canteen Manager again this year. She is another of the great unsung heros of our Club, constantly putting in more than 20-hours a week to ensure we have a canteen that provides a high level of service. I cannot thank Lisa enough for her contribution to our Club which goes well beyond any expectations. Thank you Lisa.

We are a large Club and in 2019 we have had circa 500 players register. This strength in registrations has been seen across the board. Our Auskick Coordinator Patrick Whyte came into the role this season and

has done an outstanding job of picking up from the great work done by the previous Auskick Co-Coordinators Steve Lassam and Mark Major who have continued to support Patrick. Thanks guys!

Vanessa Wainwright has continued this season as the Modified Rules Registrar and the challenges of the many competing priorities ranging from having balanced teams to ensuring all team placement requests are met. Likewise Brad McKibbin our Youth Registrar has done an exceptional job with the same challenges in addition to all of the youth teams consisting of a large boarder's presence. Both Vanessa and Brad undertake their roles in an unflappable manner.

This yearbook would not happen if not for the enthusiasm and considerable efforts of Louisa Mitchell. The yearbook requires many hours of work to pull together, starting with the team photo's, which in themselves are a large logistical effort, to all the various content from many people. The yearbook is something I know all members greatly value each season.

At the end of July we held our annual Life Members Day. This initiative is to celebrate our Life Members in a special day of football and recognition. It was an outstanding day which I know the Life Members thoroughly enjoyed and it has helped some to return our Club for the first time in a long time.

Unfortunately, for a large part of the season there was building works to the pavilion to install the new shelter. While we were inconvenienced the result is a facility that is now recognised as one of the leading junior football facilities in the metropolitan area. I continue to get feedback from opposing clubs about how good our facilities are. It is for this reason that this season we are a Grand Final host for the Central Conference of the WAFC. This is not just recognition of our facilities but the fine reputation our entire Club enjoys in the broader football community.

The other thing that has occurred this year is the upgrade to the ground lighting on Ernest Johnson Oval. This has assisted with improved amenity for training and has also allowed some of our Modified Rules teams to play fixtures on a Friday Night and our Auskickers to play on a Friday night in May. The other thing that may have been observed is the Friday evening girls matches. The next financial year will see the completion of the lighting upgrade to our other ovals, which while not to the same standard as the main oval, will be a vast improvement on the present level of lighting.

To ensure its continued success, the Club is always looking for parents to join the Committee. New Committee members always bring energy and ideas to the Club and I encourage anyone who enjoys the environment and opportunities the Club provides to become involved in the Committee and thereby guarantee the Club's future.

A big thanks needs to go to our Club sponsors. The Club continues to receive wonderful support from its sponsors. Without this ongoing support the Club would not be the success that it is. I would especially like to thank the Club's major sponsor, lan Hutchinson Real Estate. This continued support is a major factor in the Club's ongoing success and I would urge you to all support all our Club sponsors whenever you can.

After everything I've said I should acknowledge all our players. What I said last year holds true again this season. That is, it's extremely gratifying that the Club's values of good sportsmanship, teamwork, responsibility, respect, commitment and community participation are demonstrated every time that the Stingrays take the field and ensures that the Stingrays spirit is thriving. These efforts continue to set the Stingrays apart from other clubs.

It is with great pride that I can say to everyone, thank you for another fantastic season. I hope to see you all back in season 2020.

Travis Burrows - President

TREASURER'S ANNUAL SUMMARY

During the 2019 season the financial position of the South Perth Junior Football Club (SPJFC) has improved. The club supported the annual sundowner and hosted the grand final day. Our club continues to improve and grow the club's equipment and provide new opportunities to our junior footballers. The following summarises key incomes and outgoings for the year.

Revenue will exceed expenditure by approximately \$15,000 this year. Current registration fees cover fixed costs (insurance for players, Perth Football Club registration and levies, trophies, first aid supplies and training, coaches' accreditation and development, oval line marking and website. Online administration fees for Sports TG (3.9%) and TeamApp (3.6%) are absorbed by the club and not passed on to the players. Other significant expenses are the production of the yearbook, and the Best and Fairest Function at the end of season.

These figures are estimates prepared on 11 August (End of Financial Year is 30 September).

Thank you to Lisa for the work in running the canteen this season, especially under the adverse conditions whilst the awning construction was happening. Thanks also to the volunteers who help on a weekly basis. The canteen will break even or provide a small profit this year.

Merchandise (clothing) is a significant expense We reduced expenditure a little this year with the aim of reducing stock levels.

Sponsorship remains a key to our club's positive financial position and without the generous financial provision of our many sponsors we would not be able to offer the high standard of equipment and the activities to our football community.

Please support all our sponsors as they are great local businesses within our community:

- IAN HUTCHISON REAL ESTATE remains the principle club sponsor, continuing their loyal support.
- COMO IGA maintained their generous financial and material assistance to the club throughout the year.

A number of continuing jumper sponsorships helped finance the team jumpers. Thank you to:

- Como IGA
- Media Tonic
- Amcal Community Pharmacy
- Mal Atwell Indoor Leisure Group
- Loanport
- Life Ready Physio
- Oska Wellness
- Car Giant
- Angelo Street Markets
- Revo Fitness
- Winning Edge Academy
- BFI Building Services

A number of new sponsors. Thank you to:

- Custom Mouthquards
- Pharmacy 777
- Multiplant

Thank you to the families who contributed to the 100 club.

The club participates in the government's KidSport initiative (Department of Sport and Recreation) which provides financial support for player registration to families in need.

The Sundowner was enjoyed by many families and the club appreciates the opportunity to host this function (and others during the season) at the Como Bowls Club.

AUSKICK REPORT

What an amazing 2019 Auskick year!
Jammed packed with a lot of firsts for the
South Perth Junior Football Club.

Our Little Stingers were part of the inaugural Auskick 2.0 program which was introduced for the first time at our Club. Coupled with solid numbers the Club was able to field six little stinger teams in total spread over six grids whereby training occurred every Sunday for the first half of the session then followed by three simultaneous matches for the latter half over nine grids.

Over the field at Sandgate and Hensman we had two time slots of 8.30m and 10am fielding eight teams in total (rotating each week in both time slots). The larger numbers for the 2019 season had some teams push into 17 players a side. The season consisted of training for 45 minutes in the first half followed by a game of thirds.

On 10 May Friday Night Footy came to the Club and all levels of Auskick joined in. The main focus was to replace playing the children on the traditional Sunday Mother's Day morning by playing on the Friday Night stage. We were pleased to have Member for South Perth, John McGrath MLA, join us to help celebrate this initiative.

The WA Football Commission also introduced a "Thank & Respect the Umpire Round' for all community games over this weekend which was reiterated prior at all games being played.

Prior to the bye the Little Stingers had a fantastic opportunity to represent the Stingrays for the first time with the seasoned Year 1 players at the Little Stingers and Year 1 Gala Day.

With such strong numbers fielded across a record seven teams on the day a special thank you goes to Chris Brown from the Demons District who arranged to hold mini derby games due to other district clubs not being able to fill teams due to absence. From the feedback received the players fully enjoyed having the attention of the league players play and guide them.

Back after the July bye rounds we had the wet and (a little bit) wild Year 2 Gala Day at Langley Park where we fielded five teams for the day. It was a such a pleasure walking around seeing our Club show their skills to the opposing sides. There is a lot to like about this group which only serves the Club in good stead for many many more years to come.

In August we rolled into Parade Day where we had more than 40 players in attendance, with our Year 3s joining us — it was great to hear all these young strong souls shouting "Stingrays" to the best of their ability.

It has been a pure pleasure being involved as the co-ordinators of Auskick 2019. A massive thank you to all of the Little Stingers grid coaches Jason, Tristan, Chris, Leon, Dan and Richard who guided the club seamlessly through Auskick 2.0.

I have to acknowledge the coaching guidance that Mark, Shannon, Conlie, Big Brad, Heath, Anthony, Jason and Joel gave in helping the development of the skills required to play the game.

Finally, a big thank you to all the many parents, grandparents and carers who brought the children down to play in this, our wonderful game, of Australian Rules Football.

Enjoy and we look forward to seeing you all back in 2020!

Paddo & Steve Auskick Coordinators 2019

Congratulations to all Stingrays on another great year!
Thankyou to all Parents & Volunteers.

SPJFC REPRESENT AT PARADE DAY

YEAR 5 STINGRAYS MELBOURNE TOUR

The June long weekend saw a great group of Year 5 players and parents head to Melbourne for a weekend of footy fun! There were so many highlights. The boys loved running out onto the MCG and forming a guard of honour for the Dockers ahead of their cracking game against Collingwood. They headed out to Carlton training and scored a heap of signatures from players, including champions Patrick Cripps and Charlie Curnow.

There was a visit to the National Sports Museum and a second game of footy at the MCG to see Carlton take on Essendon. The trip was rounded out by an amazing visit to AFL headquarters and Marvel Stadium where they were treated to a special tour.

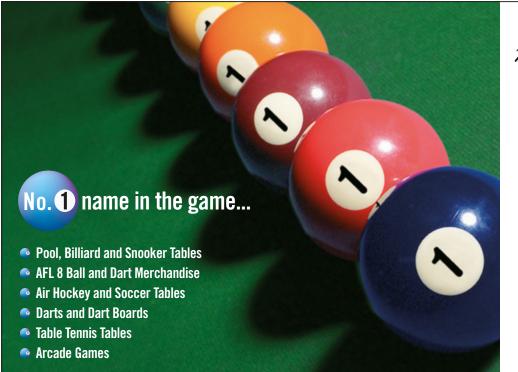

The group went into the players' rooms where

the boys belted out a stirring rendition of the Club song before heading out onto the ground to sit in the interchange box.

Then it was in to the media room where they met former Brisbane players and three-time premiership winners Luke Power and Chris Johnson.

Massive thanks to Nick, Nigel and Paige for all their hard work making arrangements; and to sponsors and supporters of the trip – Kim Brotherson Pharmacy 777, the AFL, Fremantle Dockers Football Club, Carlton Football Club, Angelo Street Markets, Typsy Monk and of course the South Perth Junior Football Club.

PERTH DEMONS VISIT EJ RESERVE

Midway through the 2019 season the Year 3 Gold team were lucky enough to have a few Perth Demons players come down to EJ Reserve to conduct a special training session.

For 45-minutes the Gold squad had Demons players take them through a Perth Football Club style training session incorporating one-on-one skills sessions, mini games, open Q&A's, tips and guidance.

It was certainly one of the highlights of the season and we are very grateful to the Perth Football Club and the players who came down.

PROUD SPONSOR OF THE SOUTH PERTH JUNIOR FOOTBALL CLUB

Most pain management solutions simply block the pain. Oska Pulse mimics the natural electric signals produced by the body to promote recovery. A small, portable hands-free device it provides drugfree relief for knee, back, joint, nerve or chronic pain.

and easy to use!

This innovative product was recently honoured at the USA's prestigious annual Medtech Breakthrough Award for electronic innovation, where it beat products from Apple and other established tech companies.

Using optimised pulsed electromagnetic field technology (PEMF), Oska Pulse relieves muscle stiffness, inflammation and increases blood flow.

It has no side effects and, after more than 60 years in the market, this science behind this advanced pain-treatment technology has the support of some of the US's leading pain specialists.

The science and technology behind the Oska Pulse has been used in the medical field for over 60 years. The Oska Pulse was designed and engineered in Western Australia, is manufactured in the USA and sold globally.

CLUB PATRON - ALLAN STILES

Our Club Patron, Allan Stiles, started his illustrious football career right here at South Perth Junior Football Club in 1955 when he was just eight years old – as part of an Under 14s team, known as the 'Mosquitos'.

"At that time, we played in yellow cotton shirts, with a green number, and I proudly wore number 4," explained Allan. "There was no real competition, just a march past and knock out (round robin) day."

He went on to win his first football trophy in 1956 – for only missing two training sessions throughout the season! During his time playing for the Club, he was part of three Premiership sides, and in every Combined side from when he was 12 to when he made the move to Perth Football Club in 1965.

"I was exceptionally lucky at South Perth. I was fortunate enough to have very good coaches and to be part of great teams."

In his first year at Perth Allan won a Premiership and Fairest and Best with their Colts side. The next year he made his League debut. Allan won the Reserves Fairest and Best for the next two years, as well as the Premiership and Prendergast Medal in 1968.

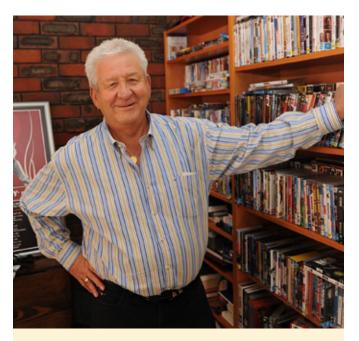

Allan retired from football at the age of 27.

Away from football, another of Allan's passions is the movies having been born into the cinema business.

"As a boy I used to be at the cinema or drive-in with my father or making a nuisance of myself while my mother worked in the Box Office (at Grand Cinemas Cygnet)." says Allan.

His mum and dad were both heavily involved in this exciting industry which he made a start in at the age of 19. Over the years has worked in all facets of the industry, both here in Perth and on the east coast. Today he is the Managing Director of Grand Cinemas seven sites across Western Australia.

Last year his lifelong commitment and achievement in the industry was rewarded with a Lifetime Achievement Award from the Independent Cinemas Association of Australia (ICAA).

"Tough, aggressive and close checking, he made life very difficult indeed for the opposing teams resting rovers. When he retired in 1975 he had played 150 WANFL games for the Demons, plus three for the State highlighted by a Simpson Medal for his performance against South Australia at Subiaco in 1970."

Author, John Devaney [source: Full Points Footy's WA Football Companion]

In recognition of his great contribution to the game of football, and the clubs he played for, Allan was made a Legend of the Perth Football Club in 2009 and became the inaugural Patron of the South Perth Junior Football Club in 2013.

SPOTLIGHT ON UMPIRES

Umpiring has been firmly in the spotlight in season 2019 – but rather dwell on the unfortunate incident involving a young umpire early in the season we want to shine a light on the people who make playing our great game every week possible.

We are very proud of the way our Club responded to the call by the Western Australian Football Commission for a 'Thank & Respect the Umpire Round' — and has continued to promote this theme throughout the season.

MILESTONE FOR MARGETTS

Footy season 1999 kicked off with a classic WAFL Fremantle Derby. While this seemed like a fairly standard game to most, it was a very special day for a 23-year-old Dean Margetts with the up-and-coming umpire adjudicating his first game of league footy.

Twenty years and 18 seasons later that same aspiring umpire walked out onto the SCG for his 450th senior WAFL/AFL game! He has umpired 11 AFL Finals and was awarded the prestigious Bishop Shield in 2012 – a peer voted award which is named in honour of the

late Barry "Bishop" Sheen who throughout his short career typified the criteria against which this award is judged.

Achieving on field success; actively contributing to and supporting the AFLUA; and role modelling the attributes of commitment, loyalty and dedication.

When not training for his own game, Dean can be found hard at work developing the next generation of umpires, passing on his knowledge and experience.

Did you know? 2,000 umpires make 1,230 games of community football possible in WA every weekend?

AN UMPIRING FIRST

As we wrote this piece, news came through that Western Australian football history was about to be made when Gabby Simmonds became the first female field umpire to officiate a WAFL league fixture. And Simmonds wasn't alone, with Chloe Wright making her debut as a goal umpire.

The duo became the first pair of women to umpire a league game, taking an important step forward for WA umpiring.

Absent: Benjamin Fairbank, Matyis Morrison, Christopher Jonas, Bryan Law, Dallas McAdam.

This year saw our very successful Year 9 team of 2018 make the step from second division to first division Year 10. We had a strong squad of 33 players including most of the team from the previous season, some new players to the club and some first year players.

After a strong start to the season our win / loss ratio fell away as the fatigue associated with most of the squad playing school football on a Saturday took its toll. Despite this, the boys competed strongly all year and our position on the ladder is not indicative of the very high level of competitiveness that we maintained throughout the season.

At our best we are as good as anyone and for the most part the boys should be very proud of their efforts in what was a difficult year. Comprehensive wins against an undefeated team promoted from second division illustrates how much the boys have continued to improve.

I know that we can make a big impact in the finals and take

it up to the top teams. It has been a privilege to coach such a fine group of young men and I wish them every success in the future. Hopefully we can form a Year 11/12 team when the current Year 9 boys come through the system.

Finally, I would like to thank the many parents who helped week-in-week-out. Special thanks go to our Assistant Coach / Runner Nathan White, Manager Ben Loader, Interchange Christine Brown, Scoreboard / Timer Adrian Singor, First Aid Ian Marshall, Carina Whittington for the great photos and to all others who helped out when rostered, including Jim Grayden and Steve Monck who are always prepared to step up and help out.

Tony Santoro (Team Manager)

Absent: Lachlan Ballard

After a trying year in the Central Conference Division 1 last year, we were selected in the Year 9 Central Conference White Division this year to play against the districts of Perth, East Perth and Swan Districts.

With our boys having grown a lot during the off-season (physically and mentally), the competition was noticeably very even throughout the year with many close games decided by less than a kick.

Led by our magnificent captains Max Nield and Clancy Tonkin, the highlights of the year were again our rock solid backline, fantastic ball movement through the corridor and our new-found ability to play out games and fight for four quarters. Our team chemistry again shone through, with the toughness of the boarders from the country, and the skills of our city boys, combining well to complete our team. The boys were a joy to coach and emphasis this year was placed on enjoyment whilst learning how to play a role however big or small it was.

As always, behind every great footy team is a great support staff. Huge thanks to our coaching staff including Barrie Smith, Shane Hartland and Brad McKibbin, Runner Dave Wallace, Manager Tony Santoro (the best in the

business) and all the other parents that help run game to game operations for our team. With having so many boarders, and some games being so far away, it is a huge logistical effort just to get the boys to games each week, so a big thankyou to all of the parents that again assisted with pickups and drop-offs.

As we enjoy the journey with this group of boys, our focus is on enjoying the game and learning that it's not all about the destination. It's been a privilege to have coached the group, and I'm proud of each and every one of the boys with the effort that they have displayed this year. Go Stingrays!!!!

Craig Murat

Middle row (L-R): Connor Roberts, Justin Vost (Coach), Angus Butler, Oscar Palermo, Aiden Dowdell, Stelth Bouckaert, Van Richardson, Matthew Beckett-Cooper, Tai Dolberg, Daniel Back row (L-R): Patrick Leonard, Adam Woods, Codie Brown, Alex Szigligeti, Reece Scadding, Jake Heasman, Lucas O'Reilly, Sam Strapp

The 2019 season has been quite a tough year for the boys. We played much more competitive teams every week compared to last season, there was a huge size disparity of the boys we played this year and we suffered from a large number of unlucky injuries. However, the boys attacked the season in the right manner, they stepped up to cover the players lost to injuries, they continued to learn and develop from every game they played and they fought the season out.

We lost more games than we won this year, but for the majority of the games, we were in them right up until the end, only going down by two to four kicks in most cases. We felt like the boys were learning to be mentally tough throughout games and playing to the last siren, not giving up. I think this all came together in the last few games of the season when we managed to put together our best performance and beat the team second on the ladder and then scaring the top team, only losing in the last quarter by three kicks. It was a fantastic win against the second team, all boys gave 100% across four quarters. It was validation for the boys, that they are good enough to

beat any team in our division if they gave effort across all four quarters. If we make it into finals this year, we're hoping for a repeat effort to put a scare into any team that has to play us.

I couldn't be any prouder of every one of the boys and what they achieved this year. This group is a fantastic bunch of boys and they've shown terrific character throughout the entire season, especially when faced with opposition teams that didn't play in the same manner. Opposition team tactics were to try and intimidate us both physically and verbally, but our boys were true to their character and

These boys will turn into fantastic young men and I wish them all the success for the remainder of the season, and in life. We definitely have some real guns in the team and I wouldn't be surprised at all to see some of these boys playing for a WAFL team in the years to come OR maybe even an AFL team!

I'd like to make a special mention of, and give a huge thanks to, Fiona as Team Manager, Mark and Andrew as Assistant Coaches this year - I couldn't have made it through the season without you guys.

Another huge thanks to all the parents for not only getting the boys to training and to games, but for helping with all the other duties that have allowed the boys to play on game day.

Congratulations on a terrific hard-fought season boys!

Back row (L-R): Charlie Harkness, Harry Edmiston, Joshua Thornton, Tyson Bell, Marshall Stielow, Cooper McKibbin, Travis Burrows (Asst Coach) Middle row (L-R): Rex Humes (Runner), Zach Burrows, Taj Garmony, Zac Sprigg, Matthew Gibson, Cameron Keenan, Jonte Walter,

Front row (L-R): Flynn Fulton, Jack Williamson, Rex Humes, Darcy Wallwork, Luke Herbert, Kane Simpson, Kirby Gargett, Xavier Short, Nicholas Perger

YEAR 7 GOLD

2019 season in my eyes has been a wonderful experience for myself, our coaching staff and management, and all the wonderful helpers each week. I have personally found my passion in coaching and developing my skills but have been lucky enough to have great support from the club to learn as I went along.

My goal for the year was just to get to know the boys, gel with them and get to know their strengths. With Travis's help we had the boys firing early and quickly tried new positions as the boys transitioned to the full ground for the first time. We worked hard on our fitness and skills and let the boys bond naturally. By round six we had fixed positions for the boys and watching them get better all year has been a pleasure.

We were undefeated until coming up against

our other South Perth Stingrays and they got the better off us on the day. It was a wonderful lesson for the team as they learnt quickly that not turning up to play a hard game off footy can quickly turn into a disaster. We have since gone on to win our next five, including Manning Rippers who are currently equal second where the boys played their best game of the year.

We are currently sitting on top with a game to go and are looking forward to a hard-fought

finals campaign. A massive thanks to Tim Blacker our Team Manager, Rex Humes Snr our Team Runner, Amanda Gargett and Scott Edmiston our First Aiders, Mark Herbert and Mark Perger in the role of Interchange Steward, and all the volunteer scorers, umpires, water carriers, etc.

Travis Burrows and I would like to send a big shout out to all the Mums and Dads that supported us throughout the year and the hardcore few that watched every training session. I personally would like to wish our boys the best of luck in the finals and see If we can go all the way.

YEAR 7 GREEN

The Year 7 Green team is made up of 26 players, including a number of new club members from all over WA. We have been pleased to see the group develop together and become a really united team based on respect for each other. The increased numbers left us with the difficult task of rotating players for byes and managing game time. This task is made more difficult by what we see as a very even team in terms of ability and attitude.

As the season progressed we have gone from strength to strength developing our skills, increasing fitness and playing to our team game plan. With the step up from mods to youths we started officially scoring and finishing the year towards the top of the table is a true reflection of the boys efforts.

At the time of writing this we are just about to start our very first finals campaign. We believe the foundation we have built throughout the year will help us to achieve our best. Part of this has been identifying which position players best fit in and the team first approach we all play with.

With so many players it is inevitable that not everyone will be able to play each game of our finals but what is certain is that EVERY player has played a major part in the success of the 2019 season.

There was a big increase in game day duties this year and we want to thank all parents who helped make the game day possible by assisting in setting up for the game, Interchange Official, First Aid Officers, Runners, Water Runners, Boundary Umpires, Goal Umpires, Time Keeping, Scoring, Canteen & Fruit Duties.

Of course, organising this group was only made possible by the hard work of the best Team Manager in the business, Cath.

We have thoroughly enjoyed coaching the team this year and as we have watched the boys

develop we realise they learn more than just football skills.

Well done boys on your dedication, hard work and for finishing the 2019 season so strongly. We can't wait for 2020!

Back row (L-R): Josh Mckenzie (Coach), Bill Mckenzie (Manager), Craig Day (Coach)

Middle row (L-R): Thomas Mckenzie, Hunter Jones, Mason Day, Vadim Bouckaert, Connor Mahon, Samuel Szigligeti, William Mckenzie, Robin Roberts Front row (L-R): Brody Coles, Aiden Ellison, Cole Ng, Angelo Gullone, Julian Scutti, Thomas Leonard, Lucas Caporn, George Tan, Joshua Cuthbertson

YEAR 6 GOLD

Firstly, a big thank you to Bill McKenzie for carrying out the arduous task of team manager for the season- you did a top job keeping everyone well informed and making sure match day ran smoothly! Also thank you to all the parents and other friends and family members who helped out throughout the season – it is very much appreciated.

The Year 6 Gold Team had another terrific year in 2019 with some electric footy being played by the boys. Most of the team have been together for a number of years now, and there is a fantastic culture that is building within the group.

The boys play a selfless, hard working brand of football that stacks up against any opposition team and they are all developing into terrific footballers.

We have had fantastic supporter turnouts at every match this season and we are sure that this has helped spur the boys on to play their best footy.

Well done on a sensational 2019 Year 6 Gold!

Josh McKenzie and Craig Day Coaches

Back row (L-R): Mark Longton (Coach), Alastair Gray (Assistant Coach), Ian Shipton (Team Manager)

Absent: Alastair Nield

Middle row (L-R): Samuel Shipton, Edward Moharich, Dylan Pool, Baxter Gray, Kyan Graham, Wesley Hartland, Aidan Brennan, Sage Longton, Nick Dolberg, Andrew Henwood Front row (L-R): Lawson Tremain, Aston Coppard, Owen Daily, John Tannock, Sebastian Fisher, Jordan Monley, Jasper Smith, Cruz Murat, Matthew Stoner

YEAR 6 GREEN

Season 2019 saw the Year 6 Green Team retain 18 players from 2018. We also welcomed an unrestricted free agent and a 2020 Wesley boarder.

This season we continued to develop and practice all the football fundamentals and have tried to instil in the group the importance of the little things in football such as voices and off the ball field positioning. The boys came up with names for some of our common training drills, Sweater, Chain Runner, Cats vs Mice were some quirky names given. Each week finishing with Burn Burner definitely helped improved our ground balls and late game fitness.

The players have all improved individually and collectively as a team. Game days the boys played a fantastic style of football, link up ball movement by both hand and foot a feature of our team play. We focussed on clean open football with plenty of end to end scores coming our way. Goals were often shared as the boys all showed great versatility as they continued to rotate through all positions on the field during games.

Congratulations to the 16 players who played their 50th game for the club this season, a fantastic effort by you all. It was great to see the extra family and friends at these milestone games to support the boys.

I'd like to thank Assistant Coach Alastair Gray, Team Manager Ian Shipton, and Team Runner Brent Daily for their dedication, advice and help throughout the season. Also thanks to David and Michelle for sharing the first aid role on game days. A big thank you to all of the other parents who chip in so graciously on game days and at training to help with whatever is necessary. Our parent group is tremendous and the support you all give to the team officials and the players is greatly appreciated.

Finally a huge thankyou to the players. It is such a pleasure to coach and teach such a great group of young men. You all play with great temperament and discipline, ever improving skills and a great sense of comradery for each other and the team. It is very rewarding and pleasing to see you listen and learn, improve and deliver so effectively what we practice at training on game day. Have a fantastic summer and I look forward to seeing you all next season.

Cheers, Longy

YEAR 5 GOLD

Middle row (L-R): William Phillips, Henry English, Jacob Pakes, Aidan Case, Benjamin Galvin, Max Radica, Zachary Serginson, Tom Parker, Christopher Young Front row (L-R): Mitchell McGrath, Conor Stevens, Ryder Bouckaert, Oscar Mitchell, Sebastian Nicholas, Ryan Cremin, Ethan Ellison, Lachlan Mammana Absent: Max Jenkins, Max Hernan Back row (L-R): Paige Sullivan (Team Manager), Nick Phillips (Coach), Nigel McGrath (Assistant Coah)

YEAR 5 GOLD

It's a pleasure to coach this team. We are very proud of the way you play and behave on the field. We had some very exciting games this year, always played in the right spirit.

Thanks to every parent and grandparent for your endless support and positive sideline cheering. Big thanks to Travis Burrows and the committee for all your hard work — it's an impressive outfit and Club. Massive thanks also to Paige Sullivan, an amazing individual and Team Manager, and Sean Stevens our superstar team doctor.

Who's keen for next year? Nick and Nigel

Aidan: An emerging ruckman, who seems to love the position. Impressive vertical leap and not afraid to make contact. Has a quirky sense of humour and is good fun to coach. Keen to learn and improve.

Ben: A dominant ruckman in the competition, with one of the best long kicks and great overhead mark. Hope to see big Ben still kicking the footy in 2020.

Chris: Lightening fast player who has a lot of potential. The spectators notice when Chris has the ball in hand. Big improvement in his kicking this year.

Conor: Another great year of improvement for Conor. Starting to be very noticeable around the contests. Has an accurate handball, and moves the ball on quickly. A valuable member of the side. Great clubman.

Ethan: Inside midfield, with great pace. Wins plenty of contested ball. Smart footballer who uses the ball wisely. Oozes energy and enthusiasm.

Henry: Unstoppable at times. Skilful, athletic, tough. Sticks the marks in all weather conditions. Explosive off the mark and kicks long. Looks after his team mates.

Jacob: Emerging forward specialist. Kicked a couple of great goals this year and provided plenty of goal assists. A developing tall player, who will provide many memorable footy moments.

Lachlan: Played some outstanding games this year, one who always finds the ball through his determination, athleticism and skill. Chases hard and makes the tough tackles.

Maccy: A versatile, highly skilled player. Consistently provided the spark when the chips are down. Always working to improve his game, with some impressive left foot kicking this year.

Max H: Silky skilled left footer who loves to take the game on. Was always in the best players until he broke his collarbone. An exciting player of the future.

Max J: Another highly skilled player, who often sneaks under the radar of the opposition. Memorable game against Maddington this year with a dominant best on ground performance. Always smiling.

Mitch: The Bull. His bone jarring tackles are feared by all. A hard-working player, renowned for his multiple efforts. A natural half backer, but his spiritual home is the forward pocket.

Oscar: Had a couple of 'wowee' games this year. Beautiful to watch half forward, who seems to glide across the field. Kicks long and accurately on the run. Always happy.

Ryan: A hard at it player who commands respect on the field. Wins plenty of contested football and has good foot skills. Calls for the ball and more often than not, gets it. An exciting player to watch.

Ryder: Very pleased to have Ryder at the club this year. A talented utility player with plenty of country toughness. Learns quickly and listens to the coaches. A Jonathan Brown-type prospect!

Seb: Roving player, with a great turn of pace. Very damaging around goal, especially with his 'Eddy Betts' special. A good kick and a reliable mark. Trains hard and always one of the last to leave.

Tom: Really impressed with Tom's year. Through hard work and persistence, has developed a booming left foot kick. Goes flat out on the field and displays plenty of passion and team comradeship. Go Tom!

William: Developing into a strong and reliable marker, with a unique and highly accurate kick. Dependable player who found his tackling mojo late in the season.

Zach: A smart, efficient player who reads the play and uses the ball well. Seems to always have time and space. Big improvement in his tackling this year. Always respectful and a great team mate.

YEAR 5 GREEN

Back row (L-R): Beau Mepham, Ryley Wainwright, Archie Thomas, Jasper Krahulik, Campbell Mundy, Jack Dombrose, Thibaut Martin, Sebastian Clark, Tom Hall, Callum Herbert Front row (L-R): Noah Cunnington, Bailey Coates, Samuel Singor, Xavier Tilli, Adam Wynyard, Daniel Kynaston, Isaac Fulton

Mark Kynaston (Coach)

Absent: Simon Coates (Coach), Tasha Chatfield (Team Manager)

YEAR 5 GREEN

The boys have had a fantastic season and have shown great improvement with their individual skills and team work. We've been really impressed with how each player has embraced the team rules that were set at the beginning of the season. One of the main focuses was sticking to their positions during games which often required players to sacrifice their own game in the interest of the team.

As the season progressed the style of play really matured as a result and the movement of the ball from one end to the other got better and better to watch. It was great to see the things we worked on at training such as running off half back, building a wall behind play to lock the ball in our forward line and moving to create space for team mates put into practice on game day. Most importantly the team always played with the spirit and sportsmanship required and always showed respect for the umpires, coaches, opposition players and team mates. Great work boys, you've made your parents and us as coaches very proud.

Thank you to Tash who did an amazing job as team manager. The season ran like clockwork as a result. Thank you to Graeme for running messages on game day and for helping out at training as well.

Thanks to Deb and Dion who shared the first aid role. Finally thanks to all of the parents who all chipped in to help on game day and also for the great support that the team received during the year.

Simon Coates and Mark Kynaston - Year 5 Green Coaches

Adam Wynard: worked really hard on finding space in the forward line and kicked some big bags of goals during the season. Has a booming left foot kick that was regularly on target. Started using his right foot to good effect.

Archie Thomas: one of our most courageous players who attacks the ball at speed. Was great running off half back or in the middle and also showed great leadership within the team.

Bailey Coates: one of our hardest trainers who worked on and improved all aspects of his game. Set the standard for the team acts like tackling, smothering and chasing.

Beau Mepham: really damaging player who is never beaten in a one on one contest and showed great dash and flare running off half back. Lead the team in metres gained. **Callum Herbert**: one of the players that could always be counted on to lift the team when we

always be counted on to lift the team when we were challenged. Cut the opposition to pieces with his precise left foot delivery of the football. Campbell Mundy: a great competitor who takes a strong mark and can play at either end of the ground. Was our go to player if we needed someone in the ruck to get it going our way. Daniel Kynaston: worked really hard on his game and showed great progress. One of our best players at winning contested football and getting it out to our outside running players. Harrison Graham: one of our most skilful players who could win his own ball as well. Rarely wasted a possession all season and was involved in many of the best chains of play. Isaac Fulton: one of our hardest tacklers who always made his presence felt. Uses his great evasion skills to break away from stoppages and move the ball forward. Super courageous. Jaspar Krahulik: a smart footballer who also has a very damaging left foot kick. Had an extended break due to illness and his hardness and skill were really missed by the team.

Jack Dombrose: another one of our booming left foot kicks. A really strong contested mark who loved kicking and celebrating a goal. His game improves every week.

Nicklas Hett: incredibly strong player who always puts his head over the football. Did his best work in congestion whether it be winning a hard ball or tackling an opponent.

Noah Cunnington: another great competitor who always gave 100%. Always played tight on his opponent when in the backline and found space when in the forward line.

Ryley Wainright: one of our best defenders at the start of the season who developed his game and became a damaging midfielder by the end of the season as well. His kicking has improved incredibly.

Samuel Singor: one of our most popular team players who is great in the forward line roving the pack and holding the ball in or shutting down one of the oppositions forwards. Fearless player.

Sebastian Clarke: a great intercept mark. His ability to read the play is one of his great strengths and resulted in him being almost impassable at half back.

Thibault Martin: played with great spirit at either end of the ground and was sorely missed when he moved overseas during the season.

Tom Hall: can play anywhere on the ground but particularly damaging when he could use his pace on either the half back or half forward line. Very reliable back or forward.

Xavier Tilli: another highly skilled player who also wins his own ball and tackles hard. Consistently good every week and works hard on developing his skills on both sides of his body. He understands what the coaches are asking for each week and always tries his hardest to deliver what is asked for.

YEAR 4 BLACK

Another year comes to an end. We started the season with seven of last year's players and then drafted from the Green and Gold teams to create the new improved Team Black. We were given a new training day which allowed us a bigger training space and allowed us a new direction in developing skills.

Assistant Coach Trent was contracted in and stepped up from round two – leading the team, then slipping in to assistant and game day runner for the rest of the season.

The team gelled really well, as the season progressed the courage and ability grew. We played every game with passion and commitment right to the end. In our games we generally started a little slow, sizing the other team up, but then we would step up and really go right till the final siren every week, and singing the song with passion.

All our players developed throughout the year, each player was committed and full of enthusiasm. The teamwork and skills are always on show. I can see the love for the game even on the bad days.

I would like to thank all the parents and families – for getting them to and from training and games, for cheering while standing in the cold and in the rain and for always putting up a hand to volunteer. Thank you for assisting with game day duties, you have all made the games and training run extremely smooth.

Special thanks to Assistant Coach Trent. Trent's reading of the game and his quick process, means the message is out to the team in extreme swiftness. On training nights your assistance with game day planning and positioning is always appreciated.

Thank you to our Team Manager Nicole, who always going above and beyond. Nicole has a lot of work on her plate keeping us in order and she does so amazingly. Her management and organisation is second only to her ability to gather oranges every weekend.

The team have improved so much throughout the year and I applaud them for their effort in training and at games. Thank you and I wish you the best next season.

Barry Wakenshaw - Coach

Marcus: Workhorse and reliable footballer always runs straight at the ball without hesitation.

Zane: Quick, skilful and loves kicking a goal.

Kale: Runs all day and has the ability to always find the goals.

Jai: Is a tough defender who tackles hard and enjoys the contest.

Finn: Is a great ball winner that brings his teammates into the game.

Harper: Always determined and enthusiastic, loves getting involved in the contest.

Grace: A quiet achiever who continually gives it her all.

Harry: Skilful hard running player who gets all his teammates involved in the game.

Brodie: Dominating ruckman who always gives his teammates first use of the ball.

Ben: Developing into an integral part of the team with his enthusiasm and attack on the ball.

Chris: Thumping kick who loves playing at both sides of the ground.

Morgan: A hard running player, who attacks the ball with great endeavour.

Heath: New to the game this year yet has really embraced everything and is developing his skills and improving each week.

Austin: Has become a consistent performer week in week out which makes him a highly valued team member.

Will: Reliable player who always presents well and puts himself in the right position at the right time.

Back row (L-R): James Galvin, Dempsey Francis, Riley Thompson, Hamish Mundy, Nathan Maffescioni, Kayden Amos, Jayden Graham, Oliver Parsons Front row (L-R): Max Secker, Rhys Minogue, Patrick Button, Max Pavlinovich, Eamon Daly, Kaiden Lockwood, Fletcher Whiting

YEAR 4 GOLD

It has been a pleasure to coach this team and see the development of players as footballers and individuals. Three objectives were set at the start of the season and were used as a base to develop trainings and a game plan.

- 1. To have fun and show respect;
- 2. To participate (both players and parents); and
- 3. Improve (individually and as a team).

I would like to congratulate the players and parents for their help to achieve those goals and I hope to see everyone next year.

Special thanks to Dave Mundy – always ready to help in wherever needed and for his insights and observations.

Sam Thompson – Thank you for organising and being so organised. Sam made sure all the things that need to occur for a team function and play happened when they were supposed to happen.

To Brad, Brad, James, Steve and Scott. Thank you for your all your assistance at training and on game day. It made the role easier, but more importantly it helped the players have fun and improve.

Lastly to the parents. Thank you for allowing your child to play, transporting them to training, games, washing the uniforms and finding that missing sock in a frantic Saturday morning dash!

Kayden Amos: A natural competitor. Always wanting to do his best. Showed good judgement on when to attack and when to defend, not overcommitting or letting his player get the best of him. Unfortunately had some basketball games at the same time. **Dempsey Francis:** Dempsey showed consistent improvement. His improvement in skill showed the work and focus he put in over the season. A change in orthotics made a massive difference in his ability to run and get involved.

Patrick Button: Mr Consistent every week, all game. Pat also brought the best out of his team mates and the team by his smart use of the ball. When asked to kick on his left foot during a game he made sure that it was a goal.

Eamon Daly: Our rock. Reliable wherever he played. Loved getting involved in center bounces and contests around the ground. Eamon was the ever present goalie / sweeper in the back line saving a lot of certain opposition goals.

Max Pavlinovich: Max took himself and his game to a different level this year. He learnt the value of repeat efforts and to keep trying when things weren't going our way. Made some spectacular chasing tackles and running leads.

Jayden Graham: Something clicked in the 3rd game of the season and Jayden never looked back. He backed himself to win the contest and the ball. It was fantastic to see his confidence grow through the season.

Nathan Maffescioni: He worked hard, listened, practiced and tried his absolute best at everything he did. Nathan's improvement across the year was profound. Well done and we hope to see you again next year.

Kaiden Lockwood: Also a natural competitor. Able to win the ball in the pack and a powerful kick. Played his best games when fully focused.

Rhys Minogue: An uncanny ability to get involved in everything even if he thought he was out of the contest. Took freakish marks, kicked freakish goals and could run like a greyhound. Played best when started in the center.

Oliver Parsons: Set high standards for himself and showed improvement throughout the season. Played his best when he backed himself and followed his first instincts. Able to identify space and provide good options for his teammates.

Hamish Mundy: Our teams other Mr Reliable. Hamish was solid wherever he played. Able to repel opposition attacks when playing in defence or make the opposition extremely nervous when playing in the forward line. Big kick and snuck in a few barrels over the season.

Riley Thompson: Riley was able to use his speed to great effect to either attack or defend as needed. Lovely kicking style on the run. Was best when he focused on his own game.

James Galvin: An opposition coach described his left foot as a "weapon". It was his improvement in other areas that impressed me the most, getting involved in contests, using his non-preferred side and making use of space for himself and his teammates.

Max Secker: The quiet achiever, fairly unassuming and often underestimated by the opposition. Whenever the opportunity arose Max got involved and showed us his talent. Always had a grin.

Fletcher Whiting: Tough, uncompromising and loved a contest. An impressive asset to the team. Fletcher was laid low by the flu for an extended period, however recovered to play a school competition Friday and backed up again on Saturday. Reportedly slept well that night.

YEAR 4 GREEN

Back row (L-R): Rowan Jones (Coach), Clint Perkis (Assistant Coach)

Middle row (L-R): Leon Gonzalez, Will Jones, Scarlett Hill, Samuel Wheatley, Baxter Proctor, Matjaz Soklich, Ethan Hardley, George Tannock Front row (L-R): Christian Perkis, Koby Harnden, Orsen El Sayed, Lachlan McGrath, Grace Edmondson, Noah Austen, Xavier Collins Absent: Kellie McGrath (Team Manager)

YEAR 4 GREEN

It was a pleasure to coach the Year 4 Green team this year. We enjoyed a great season and it was fantastic to see their skills and confidence grow each week.

We had a real focus on improvement and using our non-preferred foot and hand at training. By the end of the season nearly the whole team had kicked on their non-preferred side during a game — we even managed to kick a goal or two. As coaches we genuinely couldn't be prouder when one of the team swung onto their left or handballed left handed when they were under pressure.

As has been the case every year at the Stingrays the help and support I received from the parents was first class. Special mention to Clint and Chris for their help at training and on game day. Also a huge thanks to the parents who helped out at training — Mark, Tom and Grant. I also can't forget our team manager extraordinaire Kellie McGrath. Your help and organisation meant I never had anything to worry about.

I really do hope that all the team enjoyed their footy and looked forward to Saturday mornings as much as I did. I'm hoping to see everyone again next season.

Koby: a boom recruit to team green this year. Koby has silky smooth skills and fantastic acceleration. He reads the play very well and was a real pleasure to coach.

George: I think I write it every year but George just loves hunting the hard ball. His tackling is exceptional and his kicking has really improved. He is also a fantastic teammate.

Grace: you can't help but admire Grace's tenacity and drive to compete. Wherever she played she hunted the ball and it didn't matter who was in her way. I still think her one handed mark was clearly 'mark of the year'.

Will: enjoyed a great season. Always tried his best and loved getting his teammates involved. Kicked a couple of memorable goals.

Sam: he was one of our key avenues to goal, he kicked plenty but also set many of his teammates up. He also shone brightly with his strong marking all over the ground. We certainly missed him when he hurt his wrist.

Xavier: improved massively this season. He really got after the ball and loved kicking a goal. One of my highlights was when he kicked the goal at training for a chocolate!

Noah: a new inclusion to our team this season. You could always count on Noah to play hard and tight – you would hate to be his opponent as he would never let you get an easy kick.

Lachie: a dominate player for our team this year. Not only can he kick miraculous goals but his tackling and attack on the ball has to be seen to be believed.

Leon: had a great season and keeps making massive improvements to his game. We love his run and acceleration as it really opens up the game. His left handed handball was one of the highlights of the season.

Christian: really had a great season and improved every week. He is the master of the quick kick and keeping the ball moving forward for the team. He loved a running bounce and setting his teammates up for a goal. Pleasingly he was a little nicer to his sister this year!

Scarlett: made her debut for team green this year and was a very important player. Scarlett is very athletic and pretty much no one beats her to the ball. She was a very hard trainer and kicked a couple of fantastic gaols. Her team work was a real highlight.

Orsen: a real midfield bull. His work in tight congestion was fantastic and he loved feeding the ball out to his teammates. A bright future at the Stingrays awaits.

Ethan: his footy really impoved this year, especially his tackling. His ball winning and teamwork in our forward line was critical to our success.

Matjaz: one of the very best tacklers, he is nearly impossible to get past. His kicking is also a huge asset to the team. He nearly looks as natural on his left as he does his right foot. I'm sure he will only get better and better.

Baxter: enjoyed a great season. He kicked plenty of goals and was a fantastic team mate. One of my highlights of the year was when he courageously went back with flight of the ball for a fantastic mark. But I don't think it was one of his Mum's highlights!

YEAR 3 BLACK

Back row (L-R): Chayse Pitt, Tye Mammana, Harry Schoolland, Beau Purvis, Elliot Flaherty, Zachariah Southern, Daniel Riachi, Andrew Purvis (Coach) Front row (L-R): Rory Gregg, Francesco Condo, Lawson Straw, Christian Nicholas, Harry Archibald, Anthony Marshall, Nate Franklin

YEAR 3 BLACK

Stringrays Year 3 Black team started the 2019 season with 14 players graduating from Auskick excited to begin bouncing the ball, playing outside of zones and of course tackling.

Fundamental skill development, game awareness and having fun were the focus for the year. Everyone improved, everyone had individual highlights and there were some fantastic team moments.

Tuesday trainings were well attended throughout the year with British Bulldog, long kicking competitions and spirited scratch matches enjoyed by the boys. Kick to kick often extended well past training finish time with some parents having better luck than others rounding up the boys. It was great to see such enjoyment for the game and skill development during the year.

Match says produced many highlights both on and off the field. Matches were well attended by parents, friends and family with great vocal support for the team. The half time oranges (and lollies) were always a hit and quite often provided the only moment of silence to get the half time coaches message across.

The "Stingray Derbys" were a marked fixture early in the year. The chance to play against friends, schoolmates and neighbours brought out the best in the team. The standard of play was fantastic with high quality ball movement and skills on display.

Sportsmanship and playing the game the right way was a focus for the team and an area the boys excelled in. Throughout the season the team always showed great respect to the umpires and opposition. Allowing lesser experienced players on the opposition to get into the game in a lopsided contest was a great show of sportsmanship and something the team and Club should be proud of.

The Year 3 Black team were one of the stronger teams in the District competition and continued to improve throughout the season. A highlight for the year was the "Coast to Coast" ball movement which saw a kickout from fullback not touch the ground, marked

three times and kicked straight through the middle for a goal.

Well done to all the boys on a great season and thankyou to all the parents, grandparents friends and family who came along, brought the oranges, patched up the boys, cheered and supported throughout the year.

Harry A: Often on the end of the teams attacking thrusts. A goal sneak who could get them from anywhere but also a very reliable set shot. A consistent contributor who not only hit the scoreboard but often provided the deft touches and handballs to bring his teammates into the game.

Harry S: Well-rounded player who performed strongly in all positions. Used his strength and height to great advantage regularly winning ruck and contested marking battles. A strong kick of the ball Harry was often the teams long kicking competition winner.

Francesco: Relished the Stingray Derbys and was amongst the best players during these tougher games. Always the first person to volunteer to play in the opposition and take on his teammates. Played with spirit and sportsmanship that was a great standard for the team.

Beau: Often on the end of the play in both attack and defence. A regular goal kicker who found ruck and contested marking positions his strength. Volunteered to play with the opposition on multiple occasions — great sportsmanship.

Rory: A strong performer in all positions. A team first player who always stuck to his assignment. Showed fantastic ability to read the play defensively often winning the ball when outnumbered.

Zak: Quick and with a raking left foot kick Zak was consistently one of the stronger performers. Kicked many goals but equally set his teammates up with his foot skills. Consistently the player who went to the contest and won the ball for his teammates.

Daniel: A tackling machine who showed great game awareness and skills. Could be relied upon to defend against the better opposition and, with his ferocious tackling set a great defensive standard.

Nate: Fast outside player. Kicked some nice goals and showed good hands in tight contests with an ability to get the ball out with handball to teammates.

Elliott: Contested and on the lead a marking machine. Showed great ability to get to the correct position and provide a marking option for his teammates. Equally valuable up forward and in defence.

Anthony: Showed good development through the season with ruck being his preferred position. Some great tap-work against Vic Park which saw his teammates consistently winning the ball out of the middle.

Chase: A real asset to the team with ball in hand. A fast player with excellent foot skills. It was common to see Chase bouncing the ball down the wing and driving the ball deep into the forward line for the advantage of his teammates.

Lawson: A team first player who shows great game awareness. Excellent skills that he consistently utilised to bring others into the game. Consistently dropped back into defence to help his teammates.

Tye: Contested ball expert. Consistently in the thick of the action winning possession and using his strong kicking skills to drive the ball into attack. Ability to stick tackles and shrug off opponents was phenomenal.

Christian: Consistently front and centre and in the thick of ground ball contests. Shows great game awareness and often provided the link between defence to attack. Always played with great courage and sportsmanship.

Back row (L-R): Steve Lassam, Nicole Harwood, Jaymie Sims

Middle row (L-R): James Hunt, Hudson Lassam, Ryan Hall, Jack Sims, Lenny Lowe, Jaimin Major

Front row (L-R): Ferril Nakaditya Herwanto, Lachlan Barnes, Joel Harwood, Lewis Jayatilaka-Smith, George Goodchild, Monty Stork, Oliver Fitch

Absent: Isaac Syme (pictured top right of page)

YEAR 3 GOLD

Year 3 Stingrays Gold enjoyed an unforgettable season this year. Saturday mornings has been an absolute pleasure getting to know these terrific children. It was great to see that over the season the boys adapted to the new modified rules and continued to show notable improvement with their kicking, handballing and tackling skills.

The key to success was their ability to make leads, create space, mark, tackle, kick and handball, ensuring the entire team were able to participate and gain skills during training and game day.

This along with a very supportive and enthusiastic parent group, wonderful Team Manager, Nicole Harwood and both myself and Steve Lassam as joint coaches, meant the entire team had the opportunity to learn, develop their skills, and get a heap of touches of the footy each and every week.

Well done Year 3 boys. It's been a pleasure to watch you develop over the year, make solid friendships and use your newfound skills to move forward and continue to develop into fine football stars of the future.

Hudson Lassam: A great player who contributed solidly throughout the season. Hudson has outstanding running, kicking and handballing skills and is one to look out for in the future. Keep up the good work mate, well done.

Lachlan Barnes: A very consistent performer who was extremely dedicated to training and improving his skills. Lachlan always tries his best and was an absolute pleasure to have on the team. Over the season Lachlan made massive improvements will all aspects of ball handling, kicking and marking. Keep up the hard work mate you'll be a great player in the future

Jaimin Major: Showed great consistency with his skills and made continual improvements with his kicking, marking and handballing each and every week. Jaimin was not afraid to get in there and clear the ball out to his teammates, making him a valuable part of the team. I've got no doubt Jaimin will have a fantastic footy future ahead of him.

Monty Stork: Worked tirelessly on running hard to the ball and taking some impressive marks in the pack. His ability to mark, create

space, make strong leads and kick the ball an impressive distance across the footy field will see him as a strong contender in future footy years. Well done mate, it's been a pleasure to see you continue to grow.

Jack Sims: An overall consistent player. He never gives up, always listens, and gives one hundred percent every time he's at training and during the game. Jack has notably grown in confidence over the year and is showing a great footy skill set that is the foundations to becoming a great future footy player. Keep going Jack!

Joel Harwood: His improvement in his kicking and handballing has been consistent throughout the season. Joel's determination to continue to participate and be a team player did not go unnoticed. Can't wait to see you back bigger and better next season to continue your footy journey with the Stingrays.

George Goodchild: Always puts in a great game and consistently has improved throughout the season. Has some impressive footy skills that no doubt over the years will allow him to play some very memorable footy games. George is a great team player and always tries his best.

James Hunt: Worked hard over the season to participate and get in on the action. James tried hard to deliver the ball to his teammates and go for the hard marks. Continue to practise your skills and no doubt your footy career will be bright. Keep up the hard work.

Isaac Syme: Isaac's determination to be in on the action did not go unnoticed and contributed to an improvement on the footy field each week. He enjoyed feeding the ball to his teammates and was quick to zip up the footy

field for the next lead. Great year, well done.

Lenny Lowe: Another massive improvement out on the footy field, Lenny continued to impress me each week with his ability to read a play and take a snap at several memorable goals of the season. A team player, he has worked brilliantly with his team members, and has a ton of natural ability. It's been said before, but no doubt you'll have a wonderful long-term future career in the footy world.

Oliver Fitch: A very consistent performer, whether it was winning a centre clearance, running the ball out of defence or kicking a goal — Oliver can do it all. It was great to see his attitude towards footy and the team improve week to week. Keep it up mate!

Ryan Hall: Worked hard when on field and wasn't afraid to get in there and get the ball. Ryan enjoyed playing footy with the team and showed great signs of improvement with his handballing and marking. Keep practising with your friends over the summer and we look forward to having you back on the field next year.

Ferril Nakaditya Herwanto: Has some quality skills out on the footy field. Not only is he super fast, but he can kick, mark, and make strong leads with ease. Nakka thinks ahead of the game and can set up plays to ensure that the ball flows smoothly down the footy field. He is passionate about his footy and learning the ins and outs of this wonderful game. A natural leader with a huge career in footy it's been a pleasure having you on the team. You're a star!

Lewis Jayatilaka-Smith: Always willing to help his teammates and lend a hand. His enthusiasm and desire to improve each week was obvious for all to see. Worked hard on trying to maintain possession of the ball and feed the ball to all the players on his team. Lewis has a great attitude and enjoys the comradeship of the game. Keep practising your skills and it will all come together to make you a wonderful footy player.

YEAR 3 GREEN

Back row (L-R): Michael Case (Co-Coach), Charlie Walker, Aidan Pienaar, Lincoln Case, Ben Horner, Brodie Hess, Jake Leach, Greg Leach (Co-Coach) Front row (L-R): Maclaren Ogg, Sebastian Tulett, Charlie Thomson, Louwin Wainwright, Joseph Harkness, Jake Pool, Rhys Krahulik

YEAR 3 GREEN

What an amazing year for the Year 3 Green team. Greg and I would like to thank Paula Harkness (Team Manager), Alison Walker (filled in while Paula was away) and Debra Krahulik (First Aid – for all the bumps and bruises) for the fantastic job they have done this year. Without their support the team would not be able to compete.

We would also like to thank the parents, without their participation our 13 awesome players wouldn't have been able to get to the multiple grounds we played on, eat at quarter time or be awarded their amazing goals.

This year we concentrated on paying respect to the umpires and playing fair but hard.

Well done to all the players, both of us have really enjoyed our time as this year's coaches. All the best for next season.

Mike and Greg

Aidan Pienaar: A player with heaps of courage and dash. Aidan is the first in for the contested ball, ready to clear it from the pack.

Ben Horner: A tough young player always trying to improve his skills. Ben's the first one to put his hand up for any challenge. Keep up the good work.

Brodie Hess: Mr Skills. Mr Contested Ball. Is there anything he can't do? Brodie is the back bone of the team. A real asset.

Charlie Thomson: He may be small in stature but Charlie is an in-and-under player. He has improved his skills throughout the season. Charlie is a valued team member who is always smiling.

Sebastian Tulett: Up there Cazaly! Seb loves to take a big mark. Doesn't mine kicking a goal when bursting out of the midfield. Seb's a real team player.

Joseph Harkness: Silky clean skills, both by foot and hand. Joe has a great understanding of the game.

Charlie Walker: The quiet achiever. Always gives 100% and knows how to get into space to open up the play. Great team player with excellent skills.

Lincoln Case: Loves the back-man role. Uses the ball well and waits for an opportunity to present itself. No fear!

Jake Leach: First year of footy. Great in the ruck, excellent handballer and a super strong tackler. Knows how to kick a goal.

Jake Pool: Great all-round player who excels in every position. Super committed to the ball and a strong mark and playmaker.

Louwin Wainwright: Mr Dependable. Always stays in position and has saved many goals over the season with his great defence and attack on the ball. Great team player who always encourages his team mates.

Maclaren Ogg: Always the first into the pack to get the ball out to team mates. Takes front position and is a great mark and kick. Excels in all positions.

Rhys Krahulik: Great skills, fast and knows how to sell the dummy. Always finds open space and makes long runs into the forward line. Loves to kick a goal.

Anthony McCullough (Coach)

Back row (L-R): Talin McCullough, William Percival, Jimmy Keen, Jack Singor, Lucas Allmark, Harry Scolaro, Xavier Cicchini
Front row (L-R): Joe Docherty, Martin Samani, Orlando Naso, James Matthews, Marcus Bahrami, Angus Goodchild
Absent: Harper Dumbill, Manaia McGregor, Angus Parkin

AUSKICK BOOMERS

Footy season 2019 – what a wonderful season it's been for the Boomers! It has been such a pleasure to coach this group of young lads. To watch them come together as a "Team" and to see their enthusiasm for the game grow has definitely been a highlight. Sunday mornings have been a family affair and it's fair to say the support from our group of parents and siblings just added to the overall fun of local community footy that is SPJFC and this has been marvellous to be part of!

The start of the season saw the boys enter with a mixed level of skills, with a couple of boys taking up footy for the first time.

From the very start all the boys listened, trained hard and throughout the season each and every one of them has shown great improvement. In particular it's been great to see the growing comradery, encouragement of each other and sharing of the ball — which doesn't always come easy!

The Year 2 boys have led the way and it is wonderful to note the growing confidence of the Year 1 boys later in the season to chase and pick up the loose ball.

A big thank you to all the parents who helped me out with running training drills each week — it's much appreciated.

And for the bountiful supply of orange's and for helping with the jumper laundry. All your support is what has made this be such an enjoyable experience for all of us.

I wish our Year 2 boys all the best of for next year as they move up, you boys are definitely ready for the challenge, and for our Year 1 boys I hope to see you all back next year as the senior players!

William Percival: Tough as nails and a great in and under player. Regularly tops the team with most possessions and brings his teammates into the game by sharing the ball.

Angus Parkin: Knows how to find the goals and one week piled on three goals to lead the team to victory.

Lucas Allmark: Always committed to winning the ball Lucas showed great skills up forward with his ability to score goals.

Jimmy Keen: Plays with passion and shares the ball with his teammates. When the ball was at the other end he always found plenty of time to entertain his teammates.

Orlando Naso: Loved to play out of the goal square as a crumbing forward and hit the scoreboard. When the ball wasn't in his area he always ensured he was having a good time with his team mates.

Harper Dumbill: With his long kicking and pack marking Harper was a popular team member. Always competed hard and shared with his teammates.

Joe Docherty: A natural ball winner who loves to go for a run and bounce. Regularly got the ball forward to his teammates.

Jack Singor: A great ruckman who can get his hands to the ball first. Improving every week Jack is developing into a great player.

Harry Scolaro: Defensive player of the year, Harry chased and chased applying pressure to the opposition and forcing turnovers.

Talin McCullough: A hard trainer, Talin always helps the coach get the team organised. Runs hard and is getting the rewards for his efforts.

James Matthews: A good midfielder who could break the lines with his lightning speed. Developing a great kick.

Angus Goodchild: A tough player who knows how to find the ball in congestion. A key contributor every week.

Xavier Cicchini: Great in defence, Xavier leapt high to take intercepting marks and clear defence with is long kicking.

Marcus Bahrami: A passionate player who never gave up. Has shown great improvement in his skills throughout the year.

Martin Samani: A great team player who won his own ball, scored goals and shared the ball with his team mates.

Back row (L-R): Leanne Pool (Team Manager), Owen Davies (Assistant Coach)

Middle row (L-R): Conrad Maurer, Scarlett Green, Riley Kavanagh, Samuel Maughan, Joshua Atkinson, Morgan Milne, Dylan Gregg, Sonny Allen, Gian Pienaar Front row (L-R): Ben Smith, Noah Fortune, Mitchell Riachi, Logan Pool, Luke Davies, Rhys Harnden, Tyler Wade

Absent: George Sims, Heath Harnden (Coach)

AUSKICK DRAGONS

The Dragons of 2019 have been an absolute pleasure to coach. I have thoroughly enjoyed coaching this really enthusiastic group of young footballers. Throughout the season we encouraged the kids to always try their best and have fun with their football - something this group really embraced. I also really loved how they embraced my constant reminder of needing to be first to the football!

I also had a great group of mums and dad's helping me each week. Thank you for all your help and support, especially Leanne Pool as Team Manager and Owen Davies as my Assistant Coach.

Well done to all the kids on a great Auskick season. Good luck to the kids that move up to Year 3 football next year. Thank you to the parents for allowing me the privilege of coaching this great group of kids. Go Dragons!

Luke Davies: Luke is a very enthusiastic trainer and throughout the season we observed his confidence increasing. He is a great team player and once he has the ball he is always looking to give a handpass to his team mates.

Mitchell Riachi: Mitchell loves the hard ball get — a real 'in and under' player. He hunts the footy and for a player small in stature shows great courage. He is a real pleasure to have in the team always giving 100%.

Ben Smith: Ben showed real dash when he had the ball this year. He is developing into a good footballer who is very good at bringing his team mates into the game.

Rhys Harnden: Rhys continued his development this year with big improvements in his kicking. He showed good pace and led well into space for his team mates. Had a good connection with Dylan on the field.

Noah Fortune: Noah is one to watch for the future. He has good concentration to stay in the game, has a desire to win the football and demonstrates good skills.

Sonny Allen: Sonny was always the first to training and showed great enthusiasm in all of the drills. He is very fast across the field and shows good courage to get to the ball. Is developing into a good footballer.

Joshua Atkinson: Josh is hard at the football. He loved the marking drills, particularly overhead marking practice. A very reliable player in the team.

George Sims: Unfortunately, George didn't see out the season with the Dragons. Showed good skills when playing with his mates so hopefully we can get him back to Stingrays next year.

Scarlett Green: Always trying her best and was a great listener. Wonderful to coach given her effort and enthusiasm. Scarlett is a great team member – not bad for a mad Dockers supporter!

Tyler Wade: For someone with not much Aussie rules football experience, Tyler improved significantly. He always listened intently to coaching and put the skills into practice. A real highlight was his reaction when he kicked his first goal on the run.

Logan Pool: Great fun to be around – always cracking jokes and having fun. When it came game time he got stuck into it and loved nothing better than kicking a goal.

Morgan Milne: Morgan is very enthusiastic about his football, listening intently to the coaching and putting it into practice. Another who really improved this season.

Gian Pienaar: Gian is another of the team who hasn't had a lot of football experience. We saw Gian's confidence grow during the season. Always worked hard at putting the coaching skills into practice.

Samuel Maughan: Sam is a very good defender. He also demonstrated he was a natural ball winner who loves going for a run with ball in hand. A great team player and another to watch in the future.

Riley Kavanagh: Was one of the strongest runners when in possession of the ball. More often than not took a bounce when running into open space. He is a strong footballer with a big kick.

Dylan Gregg: Very fast when it came to the running drills. He really improved his skills during the season. Dylan is a confident, strong and skilled footballer – very good vision and passing to his teammates in space, particularly Rhys.

Conrad Maurer: A reliable and strong your footballer. Conrad was fast across the ground and liked winning the footy. Improved throughout the season and is developing into a good footballer.

AUSKICK GIANTS

Mark Close (Coach)

Back row (L-R): Joel Mylonas; Harrison Pham, Nikolaos Koliadis, Aarya Rathod, Jamie Leónard, Ruari Day, Mujtaba Siddiajai, Lachlan McCarthy, Matthew Mylonas Front row (L-R): Thomas Richardson, Carter Barnes, Osamu Sato, Dylan Close, Raine Saculles, Alexander Clark, Zac Lowden Absent: Mitchell Whiting, Chase Vost

AUSKICK GIANTS

Having to step up to coach this year was massively rewarding. The kids have been absolute champions all season. It's been fantastic to see how their understanding of the play, skills, hunger and passion for the game has grown week on week.

The Giants have been just that, all 18 standing tall every game, super competitive all season and with a great attitude. It's been an honour to coach them and wish the boys every success moving forward, so much potential.

Carter Barnes: Dynamic in all areas of the field. A real danger player who kicks a ripping banana goal from the boundary. Future Norm Smith medalist.

Alexander Clark: Top contender for the rising star award. Watch out 2020, Alexander the Great is coming. Dominant back half of 2019.

Dylan Close: Played bravely with injury under Close scrutiny all season. Great goals. sharing and takes a great falcon mark. Very proud coach.

Ruari Day: Future Wayne Carey, massive lead ups, huge marks and a great attitude. An imposing figure sure to dominate 2020.

Nikolaos Koliadis: Unmatched passion for the game, always puts on a good show and brings his best when he crosses the white line. Will be missed.

Jamie Leonard: The General, directing traffic, playing hard, thinking and making wise choices. Always willing to share it around.

Zac Lowden: Second rising star contender. Explosive second half of the season, future midfield great with hard ball gets in and under.

Joel Mylonas: Picking up the play and positioning beautifully. Great attitude and effort every week. Watch out 2020.

Matthew Mylonas: Always thinking through every match situation, great analysis, attitude and great effort all season.

Harrison Pham: Great skills growth this season, picking up the aspects of the game beautifully, loves a dry track and a chat.

Aarya Rathod: Does this guy love to snag a goal? Does he ever! Loves the game, cunning, attacking, unstoppable in front of the sticks.

Thomas Richardson: The candy show, evading the opposition. Peter Matera mould. specky handballs over the top to himself. Regularly gets 30 plus.

Raine Saculles: True gentleman and great talent! Fast, silky skills, always reliable and loves a long goal from the boundary.

Osamu Sato: Skills growing every week, fantastic attitude and my pick for future forward pocket goal sneak. Go Osamu!

Chase Vost: The Dark Knight, sneaks up and tears the opposition apart. Fantastic kick, mark and equal leading goals scorer in a single game.

Mitchell Whiting: Fantastic kick, skills and reading of the play. Mitchell gets the job done with class every week. Flashy hairdo to match.

Mujtaba Siddiajai: Great backman, reads the play well and growing with confidence every week. Watch out 2020.

Lachlan McCarthy: Valuable mid seasons draft top up player. Huge upswing, footy nous, great torp and goal scoring ability.

Back row (L-R): David Binns (Assistant Coach), Kellie Binns (Team Manager), Shannon Whitfield (Coach)

Middle row (L-R): Aiden Binns, Patrick Shields, Alessandro Shareef, Edward Reynolds, Edward Jarlett, Theo Lardicos, Jack Hickman, Aiden Toscano

Front row (L-R): Jonah Stonell, Conner Potter, Luca Rechichi, Spencer Whitfield, William Whyte, Gabriel Touzett, Julian Morris

AUSKICK JEDIS

The asset that typified our Jedi's squad this season more than anything else was teamwork. This was something that we worked hard on in every training session, and I felt was our main strength during the games we played, getting better and better with each week that passed.

I was incredibly fortunate to have a group of highly-skilled boys who were all very dedicated, willing to learn, and competitive, but it was the way they worked together to move the ball from one end of the ground to the other that impressed me the most.

The Year 1 boys will step up next year to be the senior members of their team, and hopefully they will be able to help guide the new boys coming through and pass on the importance of working as a team.

It has been a pleasure to coach a core group of the Year 2 boys since they began their footballing journey with the Little Stingers. To see them develop their skills to the extent that they have is an absolute credit to them, and just as importantly, the Mums and Dads who have no doubt spent many hours helping them.

I would like to give special thanks to Kellie Binns, our Team Manager. Kell ensured all of the parents knew when it was their turn for orange and jumper duty, and also kept everyone up to date with the goings on at the Club. Special thanks also to Anthony Rechichi, Dave Binns and James Lardicos, who turned up each week to help out with all of the training drills and to coach the boys during the games.

A shout out to Paddo, a man I have assisted over the past couple of years, and who has since been promoted to Auskick Co-ordinator. Paddo did a phenomenal job this year, and the Friday Night Mother's Day game will be a highlight of the season for most of the boys.

Finally, thanks to all of the parents and carers for supporting me. All of you were involved in the training drills at one point or another and I know the boys really appreciated and got a lot of fun out of having you involved.

Shannon

Jack Hickman: Seb Ross | Extremely talented and highly skilled player. Always early to training where he could be seen kicking the football back and forth with his Dad, honing his skills in preparation for another dominant display.

Julian Morris: Alex Rance I Has played a number of really strong games this year, especially when he is playing in defence where he has proven extremely difficult to get past.

Aiden Toscano: *Dylan Shiel* I Always willing to listen and learn on ways to improve his skills. Aiden kept on improving as the season went on and was rewarded with being the Best Player in Week 5 with a standout performance.

Jonah Stonell: Nat Fyfe | Another Year 1 player who shows enormous potential to go on to bigger and better things. Jonah is a very clean user of the ball and looks just as comfortable in defence as he does in attack.

Ted Jarlett: *Elliot Yeo* I Uses his size to his advantage and commands the ball with his presence. Once he gets it, Ed has wonderful skills, making him a very dangerous player.

Conner Potter: *Jordon De Goey* | A highly skilled Year 1 boy who knows how to go in and get his own footy, and loves to kick a goal.

Alessandro Shareef: Conner Rozee | Alessandro improved every week to become one of our most dangerous players, whether in attack, defence or the midfield.

Gabriel Touzett: *Gary Ablett* | Keeps on getting better every year. Still likes to sell a bit of candy and has great vision to switch the ball to a teammate in a better position.

Theo Lardicos: *Eddie Betts* | A massive year for Theo. All the training with his Dad has paid off and he was a constant threat around the goals where he always looked threatening.

Patrick Shields: Luke Breust | Loves to run and carry the ball before dishing off to a teammate to set up a scoring opportunity.

William Whyte: *Angus Brayshaw* | Carried off from where he left off last year. Was dominant in the midfield where he mastered the art of centre clearances.

Aiden Binns: *Phil Davis* | Reads the play beautifully and has a great awareness of the game. When Aiden is in the backline a goal was very rarely scored by our opponents.

Luca Rechichi: *Dom Sheed* | Has a raking left foot that breaks through congestion and creates scoring opportunities aplenty. Didn't mind scoring a goal or two himself!

Spencer Whitfield: Patrick Cripps | Another solid season going in hard and finding plenty of the ball. A few speccies thrown in just to give the crowd some entertainment.

Ned Reynolds: *Lachie Hunter* | Highly skilled player who was dangerous no matter which part of the ground he was in.

Back row (L-R): John Howell (Assistant Coach), Brad Francis (Coach)
Middle row (L-R): Nicco Lyster, Joshua Hitchins, Hudson Mitchell, Caelan Howell, James Yates, Kobi Meers, George Kevill Front row (L-R): Ryan Kieu, Jaxon Keil, Taylor Francis, Leo Stork, Lucas Blizard Absent: Amy Waite, Harrison Stevens, Charlie Purt, Henry Stielow, Elliot Grierson

AUSKICK PYTHONS

Coaching the Pythons has been an absolute pleasure this year and we started the year with the emphasis on the 3 Fs – Fun, Footy and Friends. What developed was a group of kids who turned into a team who care and show compassion to each other and their opponents.

You can see this when they all sing the Club song with so much Passion and Pride!

Thank you to all the parents who helped this year and especially to John, Leon, Mike and Loc.

I hope all the kids continue to play footy next year because the friendships that you make can last a lifetime.

Go Pythons!

Harrison: Great mark and booming long kick.

Charlie: Quick and hard at it! Good skills.

George: Started late in the season but quickly had an impact with his enthusiasm! Well done George.

Caelan: Great team player with quick use of handball to bring team mates into the game.

Leo: Tenacious pocket rocket who loves a goal and knows how to celebrate!

Jaxon: Great courage! Took one of the gutsiest marks I have seen at junior footy level.

Joshua: Good skills and shares the footy well to his team mates.

Henry: The blonde bombshell! Lights up the field with his skills and his smile.

Elliot: Very quick and great hands below his knees! Keep up playing footy Elliot!

James: Silky skills! Team player who cannot wait for Year 3 and to be able to tackle.

Nicco: Great skills who kicks goals from the boundary with a run up longer than Benny Brown!

Hudson: Great team player who showed a lot of compassion for his team mates this year! Well done Hudson!

Lucas: Good kick and mark who loves a goal!

Amy: Very quick and shares the ball well with her team mates!

Ryan: Getting some really good defensive skills and makes great decisions with his use of the ball.

Kobi: Great mark, quick, and kicks the ball well! Great utility player!

Taylor: Loves a handstand before and after she kicks a goal!

AUSKICK ROCKETS

Middle row (L-R): Lucia Fraser, Bythe Edwards, Harrison Faulkner, Isaac Winchcomb, William Edwards, Xavier Matthews, Cruz Harris, Alessandro Fraser Front row (L-R): Michael Van Maanen, Gordon Ingles, Nathan Chu, Ari Salvemini, Toby Limbert, Fionn Sao, Max Horner, Owen Lawson Absent: Aiden Liau Back row (L-R): Conlie Salvemini (Coach) Natalie Limbert (Team Manager), Edwin Chu (Assistant Coaches)

AUSKICK ROCKETS

The Rockets have had a fantastic 2019 season getting to know one another and developing their football skills to become a competitive team. We have enjoyed the mix of Year One and Year Two players, with the older players inspiring and teaching the younger players and being great role models both on and off the field.

We've had some great highlights, including Friday Night Football under the lights and Gala Days during which we saw just how passionate the team is about their football.

A big thank you to our great team of players who have made this year of football so much fun, and thanks also to our supportive parents for coming along and cheering and helping out with training, jumpers and providing the much-loved oranges!

Nathan Chu: Fast on his feet and eyes on the ball, Nathan is quick to take possession of the ball and always has a great attitude.

William Edwards: Put in a huge effort this year becoming courageous in his ball getting.

Blythe Edwards: Strong and determined player, always seeking to get more of the ball.

Harrison Faulkner: Great all-rounder, solid marks and big kicks, Harrison is a great team player.

Alessandro Fraser: Great at reading the ball and positioning himself for a mark, Aly has a big kick and no fuss approach to his work.

Lucia Fraser: Working incredibly hard in training this year to develop her skills, Lucia positions herself as a key midfielder to pass the ball down the line.

Cruz Harris: Strong skills all-round, Cruz is a thoughtful team player, always looking for ways to involve his teammates.

Max Horner: Great at reading the ball, reliable marking and big kicks booting many goals for the team this year.

Gordon Ingles: Hard working and consistent all season, Gordon brings spirit to the team with his big celebrations for a goal and a win.

Owen Lawson: Hard working defender, always ensures we've got the goal square covered.

Aiden Liau: In his debut season, Aiden has made a big impression with his great marks and huge kicks.

Toby Limbert: Quick to the ball, Toby has managed plenty of possessions this year and thrives in defence.

Xavier Matthews: Building in confidence and skill, Xavier has become a hard-working ball getter and reliable team player, strong in the ruck

Ari Salvemini: Loves to get up in the ruck, Ari has worked hard this season taking strong marks and sharing the ball with his teammates.

Fionn Sao: Happy team player, Fionn has enjoyed developing his ball skills and contributes to big celebrations building a great team atmosphere.

Michael van Maanen: Humble and determined player, Michael has worked hard at getting more and more touches each game, and his smile and easy-going attitude brings joy to the team.

Isaac Winchcomb. Inspirational leader, consistently strong ball skills but his focus this season has been on looking out for the younger players and making sure they get a turn.

AUSKICK WARRIORS

Back row (L-R): Jason Giltay (Coach), Ryan Steel (Assistant Coach)

Middle row (L-R): Oscar Price, Charlie Prout, Richard Stott, Thomas Berryman, Morgan Chellew, Maximilian Smith, William Perry, Lachlan Steel Front row (L-R): Thomas Swift, Toby Swoboda, Toby Caporn, Harvey Giltay, Blake Waters, Jett McDonald, Harry Swoboda

Absent: Peter Jackson, Finn Jenkins, Aidan Jenkins (Assistant Coach)

AUSKICK WARRIORS

2019 has been a big year for the Warriors! Our team had 17 players from Year 1 and Year 2, great numbers for our training sessions and games. At training we focused on the core skills of kicking, handballing, marking and picking up ground balls. There was strong improvement in our core skills across the season. We also worked on game style drills, using our voice and developing strong team work sharing the ball by foot and hand, and practicing our defending. The players really enjoyed competitive handball only games, footy tag and drills where we kicked and lead into open space.

Every week we also picked different team captains for the session, responsible for the coin toss pre-game and leading the team cheer and club song after the game.

The Warriors had a great season in our games against the other teams. Our players were very competitive and gave their all every week. They showed great team spirit all season! I really enjoyed seeing the skills and team work practiced during training being used in the games. The real highlight was the chains of handballs and kicks moving the footy down the field, capped off with a big goal!

I've really enjoyed coaching the Warriors in 2019, we've all had lots of fun! The players worked hard all season and were a pleasure to coach! A big thanks to the Warriors' parents for all their help. In particular I'd like to thank our Assistant Coaches Ryan and Aidan, who've been great help all year.

We hope to see all players back playing footy in 2020 - and wish the Year 2 boys all the best moving up next year!

Thomas Berryman: Has shown great improvement this season, taking some strong marks, becoming a more competitive player and sharing the footy with team mates. Has become a very accurate kick for goal.

Toby Caporn: Showed great skills at ground level picking-up the ball, a natural rover. Good all-round player who worked hard on improving skills. Did some good work up forward and kicked some great goals.

Morgan Chellew: One of the most consistent players this season. Loves winning the contested footy, running down the field and unleashing a big kick. Worked hard on sharing the footy to bring team mates into the game.

Harvey Giltay: One of our most competitive players, took some strong pack marks this season. Enjoys the contested footy, big kicks and kicking a snap goal. Kicked the footy with his opposite foot in a number of games.

Peter Jackson: Skills improved during training and got more involved in games this season. Showed a more competitive side winning ground balls before handballing to team mates.

Finn Jenkins: Worked hard on skills all season and naturally competitive. As confidence developed, started winning contested footy and kicking down field. Enjoys a handball and defending opposition players.

Jett McDonald: Good skills at ground level, worked hard at training on kicking and handballing. Enjoys handballing with team mates running down the field. More competitive as game confidence developed.

William Perry: Showed impressive skills for his first season and a strong competitive side. Loves kicking a goal but also sharing the footy with his team mates by hand. Always working on improving his skills.

Toby Swoboda: Team player who showed improvement in skills. Enjoys running with the footy and sharing with team mates by hand. Showed some good defensive skills.

Oscar Price: Consistent and competitive player, who loves winning the contested ground ball and then running down the field. Took some good marks this season backing into packs. Enjoys kicking a running goal.

Charlie Prout: Loves running down the field with multiple bounces and directing his team mates into space before choosing the best option by foot. Showed good improvement in winning contested footy, loves rucking.

Maximilian Smith: Consistent team player who enjoys winning the footy and then handballing to team mates. Has good all-round skills up forward and down back. Has improved passing by foot and takes a good mark.

Lachlan Steel: Has shown consistent improvement all season and always tries hard at training to develop skills. Showed a competitive side winning contested ground balls. Kicking distance has really improved.

Richard Stott: Always works hard to improve skills, working on kicking and handballing. Enjoys handballing to team mates during games. Showed a natural defensive game running with opposition players.

Thomas Swift: Solid contributor who brings other players into the game with handballs. Played some big games in defence taking strong marks. Showed competitive side as confidence improved.

Harry Swoboda: Enjoys winning the ground balls and long kicks down field. Skills improved during the season, with competitive side developing in games. Took some good marks in games.

Blake Waters: Has great all-rounds skills combined with a natural competitive streak. Enjoys winning the contested ball and then kicking to team mates in space. Takes a strong mark and kicked some good goals.

Back row (L-R): Ashton Maffescioni, Ethan Kingston, Giulio Capitani, Cooper Lewis, Alex Perry, Harry Miller, Harry Wright, Emileah Steadman, Arianna Steadman Middle row (L-R): Clayton Sumich, Sam Blascetta, Jayden McNerney, Hugh Morris, Sam Driscoll, Patrick Daly, Duke Danby

AUSKICK WIZARDS

A spark has been surging amongst the wizards all year, the second half of the season has seen that spark ignite and come to life during games with improved individual performances and more team success through combined effort.

I have been fortunate to witness confidence growth through better game play understanding in all wizards players this year. The result of this has been an increase in goals kicked per game, better skilled and quicker ball movement up the ground, players holding their marks or gaining possession and looking to dispose to a target sharing the ball around!

The improvement the team has made through this year has been exciting and I look forward to continuing with this group into the future.

A big thanks to Michelle for doing a great job as manager, thank you for volunteering, your assistance has been a great contribution to the wizards success.

Thank you to all parents etc who helped out with training and game support, your assistance is helpful along with all suggestions, thank you! Thanks to all for helping with orange and jumper roster.

It's my first year as a coach and it's been a pleasure working with all at South Perth Junior Football Club, thank you for the opportunity and Go Go Go Wizards!

ALLIGATORS

It has been a wonderful first season of Auskick for the Alligators. It has been such a joy to coach a team of great kids who love playing footy. The players have been amazing – trying their hardest every week, improving all the time and having heaps of fun.

I have really enjoyed the new training format where the games create a fun environment to learn the basic skills of AFL. Each player has learnt the basics of marking, kicking, handball and movement. The Gators should be so proud of their efforts on the training ground.

The Gators go to another level during match time. They put their skills on show but have also developed a great sense of teamwork and an ability to concentrate and read the play. It has been brilliant to watch the Alligators support each other, create for one another and celebrate a teammate's goal or mark. As opponents, the Alligators are tough, but very fair and fun to play against.

It has been a great privilege to be involved at the beginning of your child's football journey. I would like to thank Brett White for all of his assistance during the season and all the parents for helping out during the year.

Go Gators! All the best for season 2020.

Alistair Edwards: Loves his footy and super supportive of his teammates. Grew in confidence throughout the season. Loved seeing you kick your first goal Alistair! Keep it up for next year.

Back row (L-R): Brett White, David Gilbert (Assistant Coaches)
Front row (L-R): George Taylor, Alistair Edwards, Elspeth Gilbert, Anthony Piggott, Alexander White
Absent: Isla Fitch, Harrison Williams, Jessica Friedman, Jack Reeve, Leah Simmonite, Jason Fitch (Coach)

Isla Fitch: Loves footy and a fierce competitor. Wins her own ball, runs strongly and sets up play brilliantly. Works hard on her skills. Kicked five goals in a best on-field effort on Gala Day.

Jessica Friedman: A great first season of Auskick. Developed great handball skills and an excellent marking technique. Kicked goal of the year from midfield against the Crocodiles.

Elspeth Gilbert: The Gators little will-o'-the-wisp who had a brilliant season. Always tries her best and wears a big smile. Has a beautiful kicking style and loves a goal.

Anthony Piggott: A great competitor who fights fiercely for the ball at ground level. Has a booming right foot kick. Loves to jump into the ruck. Well done Anthony!

Jack Reeve: A natural footballer who wins his own ball. Forward dynamo who kicked some great goals with his thumping right boot. Has a great ability to bring his teammates into the play. Big things coming in 2020.

Leah Simmonite: A super supportive team member. Works hard in training and takes a lovely overhead mark. Keep it up Leah!

George Taylor: The big improver. Works hard in training and starting to move well with great support running. Took a screamer at Gala day and kicked some lovely goals.

Alexander White: Great run and carry and has all the skills. Reads the play well and brings his teammates into the game. Kicked seven goals against the Falcons. Should be proud of his season.

Harrison Williams: Works hard in training and improved his handball and kicking out of sight. Starting to win his own ball at ground level. A great team member who enjoys his footy.

LITTLE STINGERS BEARS

Our Bears have had a brilliant footy season. After only a few weeks they were already consistently kicking and handballing like AFL players! We started and finished each Sunday with a big Bear's ROAR to let everyone know we were there, and each week's captains and coaches award winners were also given a ROAR of congratulations from teammates.

Early on, we introduced the Bear award, where the winner each week was able to take home a super tough Bear and put him proudly on display. This award went to someone who showed great teamwork, tried their hardest, and listened to their coaches and umpires — all important skills for a footy player.

We had great fun this season, and some of our highlights included amazing teamwork and ball sharing by Caleb and Noah B, mega kicks from Kye, Noah K and Tate, brilliant defensive work by Daniel and Noah V and super speed and skill in the midfield by Jackson and Angus. It was also fantastic to see the boys kick a goal or two each and celebrate with their mates! Probably the boys favourite drill was "coach's treasure", where they had to dodge around the coaches tackles to get the balls back to their circles. We began adding in little bits of team work so the boys start to associate sharing in a real game situation.

But one of the biggest highlights was the night game on Mother's Day weekend. Our Bears had an absolutely brilliant game under lights, followed by a nutritious hot dog! What a thing for proud mums to see that weekend.

For assistant coach Jared, and myself, it was a real pleasure and joy coaching the boys. We got a real kick out of seeing them have fun, improve every week and learn this great game.

Back row (L-R): Tristan Kinnane (Coach), Noah Brack-Alves, Daniel McCutcheon-Hill, Caleb Donovan, Jared Palandri (Assistant Coach)

Front row (L-R): Angus Tulett, Jackson Palandri, Noah Kinnane, Kye Hughes, Tate Wincey
Absent: Noah Velichkovski

We realised straight away we had an incredible bunch of kids as they listened so well and followed our instructions. We can't wait to see our little Bears grow into big Bears in the Stingrays Club. We also really appreciated the organisation from the Club and the help from parents each weekend to keep the drills flowing.

We hope all the parents and kids had as much fun as we did, and we would like to thank our Bears for this footy season.

Roooooaaaarrrrr!!!!

LITTLE STINGERS CROCS

What a year the Crocodiles have had. Our team consists of Nash, Tom, Johnny, Josh, Lucas, Oscar, Charlotte, Zara, Miles and Thomas and they have all been sensational this year.

From kicking goals, taking screamer marks, big ruckman taps and classy handballs, the Crocs have been amazing to watch and have developed their skills as the season has progressed.

Through rain, wind, storms and freezing conditions all the Crocs have shown great determination and eagerness to participate in all the football drills.

It has been a privilege to coach you all, thanks to Shane for being the assistant coach and also to all the mums and dads who have helped out with assisting through the year. It has been a fun year with plenty of laughs and high fives and I hope everyone had a great time and will be back next year.

1,2,3 GO CROCS!

Back row (L-R): Shane Lenz (Assistant Coach), Joshua Lenz, Oscar Devine, Charlotte Perry, Zara Morrison, Chris Osmetti (Coach)

Front row (L-R): Tom Mansour, Lucas McKenzie, Nash Osmetti, Thomas Kucan, Miles McColl, John Forfar

LITTLE STINGERS **DINOS**

The Dinos proved to be an enthusiastic and talented bunch of young fellas and was made up of Boston, Max, Hunter, Louis N, Riley, Richie, Mav, Beau, Billy and Louis H.

Before the season even started, the South Perth Primary School contingent of the group could barely contain their excitement at playing footy with their mates and buying a first pair footy boots and/or footy jumper had anticipation levels at maximum.

The addition of Hunter and Louis N from Como Primary School rounded out the team nicely and despite some possible trepidation around them coming in to a group they didn't know from school both of them fitted like a glove to a hand.

The first few sessions and matches can only be described as organised chaos and the term 'herding cats' was used regularly!

As the group familiarised themselves with the activities and the rules of the mini- games things began to click and every week there was improvement in fundamental skills and abilities and despite a few tears every now and then, most importantly they were having fun!

The consensus amongst the Dinos boys was that the mini-games at

Back row (L-R): Louis Nelson, Hunter Kwietniewski-Lees, Maverik Hopkins, Billy Lowden, Richie Hodgson (Assistant Coach)

Front row (L-R): Max Williams, Boston Barnes, Louis Hodgson, Riley Dunlop, Beau Price Absent: Richie Felton, Leon Felton (Coach)

the end of the sessions were the best part of the whole experience and they really impressed with their accurate, long kicking, eagerness to win the loose ball and a good understanding of holding their position. One of the most pleasing

aspects of the games was that when we had to share players with teams with smaller numbers the boys did so without complaining and even enjoyed playing against their friends!

Thanks to all the Dinos parents who joined in to help with the coaching,

umpiring, photography and postmatch nutrition along Paddo and Steve from SPJFC.

It really was a team effort and the community feel has gone a long way to ensuring it was an enjoyable experience for everyone involved.

LITTLE STINGERS **EMUS**

The Emus have been an amazing team that has really gone from strength to strength this year.

Having commenced this year together, they have really shown that they are a strong, collegiate team who love to hang out both on and off the field. Some really strong friendships have grown throughout the course of the year, which at times has seen players tackling and cuddling each other on the field.

We started the year off really understanding the basics, building on the core skills of kicking, handballing and marking; moving to understanding the zones and playing as a team.

Our early days consisted of some big runs from full back to full forward to kick some big goals — we have since evolved to handballing and sharing the ball, including solid efforts of teamwork where we saw the ball handballed through five or six players and ending in kicking a goal.

Our mid-year carnival was fantastic — our team all put in big efforts, even with a down pour half way through!! Our opposition wasn't too keen to play so a number of our players helped the other team for a quarter — a testament to our team spirit and love of the game.

All of our players this year have really built on some basic foundations at the start of the year and are now ready for their next step in their AFL careers.

We look forward to welcoming them all back next year for another round of Auskick.

Dan and Adrian

Back row (L-R): Dan Metschke (coach), Harrison Cleland, Ollie Cleland, Jett Bennett, Louis Putigny, Adrian Welten (Assistant Coach)

Front row (L-R): Jasper Murray, Peyton Pohla, Cooper Metschke, Mya Atkinson, Orlando Milne, Harry Welten

LITTLE STINGERS FALCONS

Thank you to all the players and parents of the Falcons 2019. My first experience with coaching was made thoroughly enjoyable by such a great group of players.

They have shown a willingness to get in and have a go during the games and to focus and build their skills during the drills. It has been a pleasure to see their development this year.

Thanks to the Team Manager Ben McKinley who did a great job keeping all the parents up to date. To Assistant Coach Jake Prout and to Drew McKibbin for working through the drills to keep all the kids involved, we've all learned a lot along the way!

Well done to all the kids and good luck with footy in the future.

Go Falcons!

Stevie Button: Stevie has been great fun around the team. She really enjoys the drills and takes to them with great enthusiasm, particularly Ruckman's Treasure!

Bridget McKinley: Bridget loves to have fun with the drills and to have a kick during the games. She's focused during the drills and over the season it shows in her skills.

Harry Prout: Harry has a boot like a cannon, he loves to win the footy and move it up the ground. Always intensely focused, he's been great fun to watch during the games.

Riley Nevin: Riley loves making jokes and having fun during the drills. His skills have improved a huge amount over the season, he's great with handpassing and his kicking skills have greatly improved.

Levi McKibbin: Levi showed great skills from the start and got better as the season went on. He has great desire to win the footy and shows great dash with the ball in hand.

Oliver Whiting: Oliver is a great listener and puts instructions into actions. He gets in and gets the football but he's unselfish and keen to involve his teammates.

Jacob Brennan: Jacob started out very shy, wanting to be an Eagle not a Falcon but after a few weeks he was really participating well during the games and loved kicking goals up forward.

Back row (L-R): Ben McKinley (Team Manager), Richard Nevin (Coach)
Front row (L-R): Bridget McKinley, Harry Prout, Riley Nevin, Stevie Button and Levi McKibbin
Absent: Oliver Whiting, Jacob Brennan
